VOLUNTEER OPPORTUNITIES

High School Math Volunteer: Lake City Public Schools is seeking adult volunteers to augment teachers in its high school math classrooms. The idea is to increase the adult-to-student ratio and provide more individual attention to students in need of help. Hours are flexible and volunteers choose their availability - from an hour a week to several. For information, people can contact Jim or Ann Schreck at 651-345-9834, Dan Kastella at 651-345-5928 or the Lincoln High School principal's office at 651-345-4553. The principal's office is the place to call for people who want to volunteer in subjects other than math as well.

Group Home Volunteer: Great River Homes is seeking one-to-one volunteers or church volunteers. One to one volunteers provide a wide variety of activities and opportunities to individuals with developmental disabilities such as reading together, attending sporting events, attending community events, or sharing a cup of coffee together and just visiting. Church volunteers provide transportation and assistance to individuals to attend church services. Volunteers receive training and ongoing support to make their volunteer experience a successful experience. For more information on volunteer opportunities with Great River Homes, Inc., people can contact Sandra Swan at 651-345-9967.

Volunteer opportunities run in the *Graphic* and *Shopper* as space allows. To submit a volunteer opportunity for consideration on behalf of a local non-profit or community service organization, email graphic@rconnect.com.
