IN MEMORIAM

In Memory of David W. Cronin

Missing You on Your Birthday
Your were very kind and thoughtful with a warm and loving heart And when other people needed help, you always played your part. You're thought of every single day whatever time of year But somehow more than ever now your special day is here. No present can be given and that's really very hard But there's a world of love inside this special little card. Each memory is shining bright and treasured dearly, too, but memories can't take the place of someone dear, like you.
