Have you cleaned your dryer vent lately?

Professional dryer vent cleaning will significantly reduce the fire hazard caused by lint accumulation and will reduce the drying time of each load, saving you money on your utility bill.

It's time to clean your dryer vent if:

- Drying clothes takes longer and longer
- Clothing is hot or damp at the end of the cycle
- Your outside vent hood flap doesn't open properly
- The outside of your dryer becomes very hot
- You notice a burning smell when drying clothes
- It's been more than a year since your last inspection

Wabasha County Household Hazardous Waste Collections Spring 2024

Environmental Services

(651)-565-3062

Wabasha County will be holding collections for household hazardous waste on the following dates:

• PLAINVIEW: May 2 from 4 p.m.-6 p.m. at the County Highway Shop (24234 County Rd. 27, Plainview, MN 55964)

• LAKE CITY: May 9 from 3 p.m.-6 p.m. at the County Highway Shop (120 N. 8th St., Lake City, MN 55041)

• WABASHA: May 16 from 3 p.m.-6 p.m. at the County Highway Shop (821 Hiawatha Drive W., Wabasha, MN 55981)

• ZUMBROTA: June 25 from 2 p.m.-6 p.m. at the Park-N-Ride Parking Lot (44.30032, -92.66689)

We are committed to ensuring the safety of our customers and staff at the Household Hazardous Waste Collections so we are asking that you respect the following rules if you plan to utilize the collections this summer:

1. In order to avoid long lines that occur at the beginning and the end of the collections, try to attend throughout the day.

2. Please NO large loads*, you may be asked to drop off part of your waste over several days or be directed to the nearest Hazardous Waste Facility.

3. Try to utilize the drop-off available in Red Wing or the Olmsted County Hazardous Waste Facility all summer rather than bringing your waste to a collection.

Only Household Hazardous Wastes can be accepted.

State law prohibits business waste collection at a household collection.

*Loads CAN be rejected at the discretion of the site manager!

NOTE: Sample wastes that may be brought to the collection include aerosol cans, old paint, household cleaners, paint thinners, paint remover, and pesticides for the garden or the lawn. Only containers with labels or known contents will be accepted. Fluorescent bulbs will NOT be accepted at the Household Hazardous Waste Collections. They can be brought to the Goodhue County Recycling Center, Olmsted County Hazardous Waste Facility, or Ace Hardware in Zumbrota, Cannon Falls, Red Wing and Kenyon.

Goodhue County – 651-385-3107

Olmsted County – 507-328-7070

All waste oil and oil filters can be dropped off at the Wanamingo Landfill or the Goodhue County Recycling Center during business hours.

Please note that the collections may be canceled due to rain or threatening weather.
