Elder Network - Elder Network is a non-profit organization that has been serving seniors for 30 years. Their mission is to help individuals impacted by the limiting effects of aging to have an optimal quality of life.

Elder Network supports seniors with visiting volunteers, respite care, companion care (which means any light duty housekeeping, meal prep, errands, grocery shopping, etc.) that can make it possible to keep their independence. Note: We do not do any personal cares or medical services. We offer caregiver support and workshops, as well as other workshops for relevant senior topics.

If you enjoy working with seniors and could donate a few hours a week, we'd love to talk to you.
