Breathe Easier with Our Pulmonary Function Test

Are you concerned about your lung health or
experiencing breathing difficulties? Our Pulmonary
Function Test (PFT) is here to help you breathe
easier and live healthier.

What is a Pulmonary Function Test?

A Pulmonary Function Test is a non-invasive
diagnostic procedure that measures how well
your lungs are working. It evaluates airflow, lung
volume, and gas exchange, providing valuable
insights into your respiratory health.

Talk to your provider about scheduling your
Pulmonary Function Test today and take the first
step towards better breathing and overall wellness.

PUBLIC NOTICE - DIRECTORY AND YEARBOOK INFORMATION

Notice is hereby given—

That Independent School District #813 pursuant to U.S. General Educational Provisions Act declares the following as "Directory Information" as provided in said act, and that information relating to students may be public if that information is in any of the following categories:

Student's name, address, telephone listing
Date and place of birth
Major field of study
Participation in officially recognized activities and sports
Weight and height of athletic team members
Dates of attendance
Degrees, awards and honors received, and the most recent previous educational agency or institution attended by the student

That Independent School District #813, when requested, will release Directory Information to military recruiters of any branch of the United States Military. This only pertains to juniors and seniors.

This public notice is required by law before such information can be placed in Yearbooks or Student Directories. Any parent or student in the district may notify a building Principal if the parent or child desires that none of the above information be released, including to military recruiters, without parent consent, provided that such information is given the District within 30 days of the publication of this notice.

THANK YOU NOTES

FUR-EVER FRIENDS

All Fur-ever Friends would like to thank everyone who helped get and put the fire hydrand in our park.

Fur-ever Friends 26-14p

**GARDENAIRE
GARDEN CLUB**

The Lake City Gardenaire Garden Club would like to extend a sincere thank you to everyone involved in making our garden tour a success. Thank you to the 6 garden tour hosts that were willing to share their beautiful gardens with Lake City residents and the people from the surrounding communities.

A huge thank you, and a great appreciation goes to the garden tour hosts: Jim and Jennifer Cobb, Debbie Kearnes, Bruce and Connie Stam, Becky Houghten, Bill and Carol Meyer and Bill and Bonnie Fuhrman. We appreciate the hard work that it involved for all of you to get your gardens ready for the tour. Those that attended the tour were able to see how beautiful and unique each garden was, and if you are a gardener you know how much time it takes to create such stunning oasis.

We also want to thank the individuals that were willing to help out on the day of the tour: Vicki Ahrens, Paulette Clare, Linda Dicke, Betty Pike, Sandra Walters, Judy Thornton and Sue Mack. It was greatly appreciated that you were willing to give of your time on a weekend. We also want to thank Kennedy Drug by Sterling and Lake City Fresh Market for assisting with the presale of tickets. Thank you also to Dave Mahn of Mahn Funeral Homes for printing the tour tickets.

We want to thank everyone that attended the garden tour! We felt it was a huge success. Our net proceeds will be used to continue with decorating the three Lake City entrance signs as well as decorating the pots downtown for the Christmas Holidays. Thank you to everyone involved. It was great to see so many people work together to make the tour a success.

AUGUST 17TH, 2024

OUR HISTORY

Acquisition of what is now part of the Marina and Point began in 1913 and continue up through 2003.

In 1934 President Franklin D. Roosevelt came to Lake City to dedicate the new harbor.

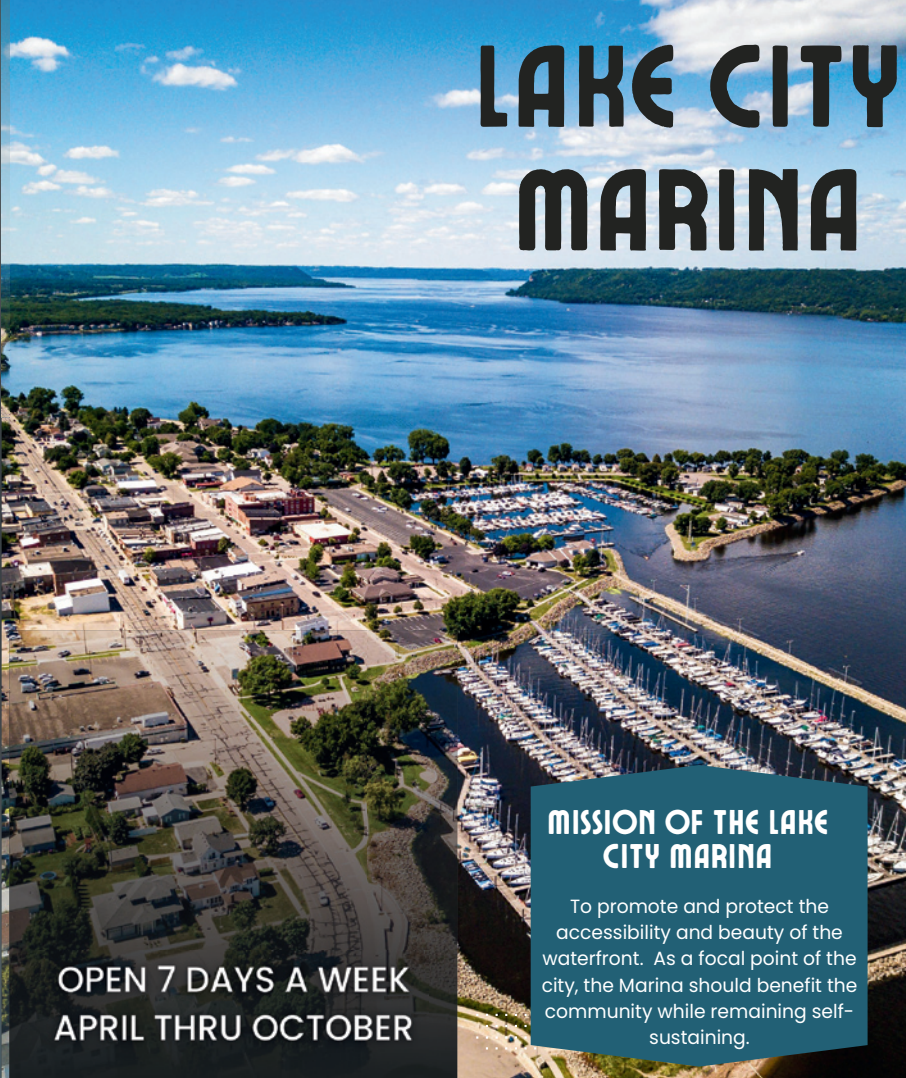

This was again improved upon in 1947, in which the harbor was doubled in size and a large launching ramp was installed on the west side.

An expansion and renovation project from 1965-67 paved the way for what the Marina is today. It included a two story administration building and bath house.

In 1984, a 900 ft. breakwater was created forming the South Harbor. This addition created room for nearly 300 additional boat slips.
