PUBLIC NOTICE

To ensure a safe drinking water supply, Lake City Utilities will be doing the annual chlorination to the water system on **August 26, 2024** and it should clear by September 6, 2024. The addition of chlorine to disinfect water can react with iron and/or manganese, creating a black or reddish discoloration, but does not cause a health concern. Citizens can let the water run a few minutes to flush faucets of discolored water before using for cooking or laundry. Use of chlorine can cause problems in fish tanks and commercial operations such as bait shops. It is recommended that these uses find an alternate source of water during this period or use commercially available chemicals that neutralize chlorine. Presence of chlorine will remain a few days following the treatment period. Questions can be referred to Water Department at 651-345-6854 or Public Works at 651-345-4711.

Wabasha County Household Hazardous Waste Collections

Fall 2024

Environmental Services

(651)-565-3062

Wabasha County will be holding collections for household hazardous waste on the following dates:

• PLAINVIEW: September 5 from 4 p.m.-6 p.m.
at the County Highway Shop (24234 County Rd. 27, Plainview, MN 55964)

• LAKE CITY: September 12 from 3 p.m.-6 p.m.
at the County Highway Shop (120 N. 8th St., Lake City, MN 55041)

• WABASHA: September 19 from 3 p.m.-6 p.m.
at the County Highway Shop (821 Hiawatha Drive W., Wabasha, MN 55981)

We are committed to ensuring the safety of our customers and staff at the Household Hazardous Waste Collections so we are asking that you respect the following rules if you plan to utilize the collections this fall:

1. In order to avoid long lines that occur at the beginning and the end of the collections, try to attend throughout the day.

2. Please **NO large loads***, you may be asked to drop off part of your waste over several days or be directed to the nearest Hazardous Waste Facility.

3. Try to utilize the drop-off available in Red Wing or the Olmsted County Hazardous Waste Facility all summer rather than bringing your waste to a collection.

Only Household Hazardous Wastes can be accepted.

State law prohibits business waste collection at a household collection.

*Loads **CAN** be rejected at the discretion of the site manager!

NOTE: Sample wastes that may be brought to the collection include aerosol cans, old paint, household cleaners, paint thinners, paint remover, and pesticides for the garden or the lawn. Only containers with labels or known contents will be accepted. **Fluorescent bulbs will NOT be accepted at the Household Hazardous Waste Collections.** They can be brought to the Goodhue County Recycling Center, Olmsted County Hazardous Waste Facility, or Ace Hardware in Zumbrota, Cannon Falls, Red Wing and Kenyon.

Goodhue County – 651-385-3107
Olmsted County – 507-328-7070

All waste oil and oil filters can be dropped off at the Wanamingo Landfill or the Goodhue County Recycling Center during business hours.

Please note that the collections may be canceled due to rain or threatening weather.
