Prepare Your House for Winter

Fully clean your air ducts, dryer venting, and service and calibrate your furnace.

Important Facts About Indoor Air Quality

- Most people spend 60-90% of their time indoors.
- The levels of some hazardous pollutants in indoor air has been found to be up to 70 times greater than in outdoor air.
- Studies have shown that two out of three indoor air quality problems involve the HVAC/Air Duct System
- One out of six people who suffer from allergies do so because of the direct relationship to fungi and bacteria in air duct systems.

FREE Furnace Clean, Tune & Calibration & FREE Air Duct Sanitization with Air Duct Cleaning Service.

VOLUNTEER
OPPORTUNITIES

Elder Network - Elder Network is a non-profit organization that has been serving seniors for 30 years. Their mission is to help individuals impacted by the limiting effects of aging to have an optimal quality of life.

Elder Network supports seniors with visiting volunteers, respite care, companion care (which means any light duty housekeeping, meal prep, errands, grocery shopping, etc.) that can make it possible to keep their independence. Note: We do not do any personal cares or medical services. We offer caregiver support and workshops, as well as other workshops for relevant senior topics.

If you enjoy working with seniors and could donate a few hours a week, we'd love to talk to you.

Give us a call or email us 651-564-0351 bonnies@elder-network.org.

Volunteer opportunities run in the *Graphic and Shopper* as space allows. To submit a volunteer opportunity for consideration on behalf of a local non-profit or community service organization, email news@lakecitygraphic.com.

PUBLIC NOTICE
To ensure a safe drinking water supply, Lake City Utilities will be doing the annual chlorination to the water system **September 8th, 2025** and should clear by September 22nd, 2025. The addition of chlorine to disinfect water can react with iron and/or manganese, creating a black or reddish discoloration, but does not cause a health concern. Citizens can let the water run a few minutes to flush faucets of discolored water before using for cooking or laundry. Use of chlorine can cause problems in fish tanks and commercial operations such as bait shops. It is recommended that these uses find an alternate source of water during this period or use commercially available chemicals that neutralize chlorine. Presence of chlorine will remain a few days following the treatment period. Questions can be referred to the Water Department at 651-345-6854 or Public Works at 651-345-4711.

BRING THIS BILL!

DO NOT BRING THIS BILL

Wabasha County Household Hazardous Waste Collections
Fall 2025
Environmental Services/Planning & Zoning (651) 565-3062
Wabasha County will be holding collections for household hazardous waste on the following dates:
• **PLAINVIEW:** September 4 from 4 p.m.-6 p.m. at the County Highway Shop (24234 County Rd. 27, Plainview, MN)
• **LAKE CITY:** September 11 from 3 p.m.-6 p.m. at the County Highway Shop (120 N. 8th St., Lake City, MN)
• **WABASHA:** September 18 from 3 p.m.-6 p.m. at the County Highway Shop (821 Hiawatha Drive W., Wabasha, MN)

We are committed to ensuring the safety of our customers and staff at the Household Hazardous Waste Collections so we are asking that you respect the following rules if you plan to utilize the collections this fall:
1. In order to avoid long lines that occur at the beginning and the end of the collections, try to attend throughout the day.
2. Please **NO large loads***, you may be asked to drop off part of your waste over several days or be directed to the nearest Hazardous Waste Facility.
3. Try to utilize the drop-off available in Red Wing or the Olmsted County Hazardous Waste Facility all summer rather than bringing your waste to a collection.

Only Household Hazardous Wastes can be accepted.
State law prohibits business waste collection at a household collection.
*Loads CAN be rejected at the discretion of the site manager!

NOTE: Sample wastes that may be brought to the collection include aerosol cans, old paint, household cleaners, paint thinners, paint remover, and pesticides for the garden or the lawn. Only containers with labels or known contents will be accepted. **Fluorescent bulbs will NOT be accepted** at the Household Hazardous Waste Collections. They can be brought to the Goodhue County Recycling Center, Olmsted County Hazardous Waste Facility, or Ace Hardware in Zumbrota, Cannon Falls, Red Wing and Kenyon.
Goodhue County – 651-385-3107
Olmsted County – 507-328-7070
All waste oil and oil filters can be dropped off at the Wanamingo Landfill or the Goodhue County Recycling Center during business hours.

Please note that the collections may be canceled due to rain or threatening weather.
