About the Author:
John is a United States naval veteran and a retired Director of Facilities with Minnesota Mutual Life Insurance Company. His writings draw from personal lived experiences, preserved historical archives, and a biblical and spiritual perspective on regional history. Hosting this event at the Historic Glengarda Cottage allows the community to connect directly with many of the stories told in the book.

John will present his most recent book, **Divine Moments & Apparitions**, and also, his first book, **Vietnam 1967-1971: Danger, Affliction, Toil, Heartbreak, and Stolen Years** published in 2019.

John's first book is about his three deployments to Vietnam aboard the aircraft carrier USS Hancock - CVA-19, where life was stripped of everyday comforts, providing only absolute essentials. For each 8-month deployment, a very intense military operation off the coast of Vietnam was served with no distractions. "Daily, you were faced with danger, affliction, toil, heartbreak, and stolen years. That kind of environment changes a person's perspective permanently. It forces you to realize very quickly that you are not the one in control of your destiny... **What carried me — the Holy Spirit!**

Come celebrate my book release and get your copy signed!
