NAPA AUTO PARTS

58 Years in Lake City!

A brief history of NAPA Auto Parts in Lake City - Willard and Alice Wintheiser came to Lake City in the early 1960s. Willard approached the bank with idea of opening a NAPA Auto Parts store and was refused - "too much inventory", he was told. But in 1962, with the help of relatives, he opened Wintheiser Auto Supply, Lake City's first NAPA Auto Parts store.

Willard, Alice, and their son, Charles (Chuck) took care of the community with their auto and ag parts store. Eleven years later, Chuck and his wife purchased the business. Chuck and his family ran the store from September 1973 until September 2007 - 34 years.

In 1997 they moved the store from the downtown storefront that currently houses Kemp Real Estate, to the current location of Lyon Avenue.

In September of 2007, Chuck sold Wintheiser Auto Supply to longtime employee Lloyd York. Lloyd continues to serve the local automotive needs today.

"Our community is a good one. We have appreciated your support as we have enjoyed supporting our local community."
- Lloyd York

I'm John Redmond.

A lifelong, current full-time resident and candidate for mayor of Lake City.

I personally feel that replacing a four lane highway through Lake City was a mistake that will haunt us in the years to come. The new road looks good, but was too expensive and will make traffic flow through town a problem, especially in the high traffic summer months. Requiring a citywide vote on an issue as divided as the highway project would have allowed the majority the ability to influence the decision. Bad decisions become tolerable when they are made by the majority and not the few.

Referendums would only be used to settle issues that are controversial. The hope would be that it would lead to debate, which will involve the general public and educate them about the issue. This provides a direct way in which people can participate in decisions. Local governments need to be kept in check to ensure that major changes are done only with popular support. The ultimate goal is that this will hopefully lead to increased awareness and participation throughout the community. There is no reason why the direct democracy which a referendum introduces cannot exist side by side with representative democracy and provide a means of giving elected representatives what the public view is.

If elected mayor I will work to institute referendum voting, reduce property taxes and curb the countless fees the city imposes home and business owners. I will work tirelessly to make sure city government is accountable to the average person who lives and works here.

Feel free to contact me at Ace Rental during the week (651-345-5506) and Wise Hardware over the weekend (651-345-3113).

Thank you for your consideration and remember to vote November the third.

Prepared & paid for by John Redmond, 319 S. Oak St., Lake City, MN 55041
