THANK YOU NOTES

LEWIS
Our family is devastated losing our parents only 5 weeks and 2 days apart, but we want to say thank you for the outpouring of love and kindness that we have received from our small community. It has been amazing and as Mom and Kevin would say, WOW! If you haven't experienced it yet we hope you do, because it has been phenomenal. Small town living at its best and we are truly grateful to each and everyone of you!

For Dad (John): A big thank you to the Lake City ER and Lake City hospital for doing all you could, and when you couldn't, thank you for sending him to Methodist hospital. It was there that we experienced true angels! The doctors, nurses and especially the Mayo Clinic hospice. They gave us the only peace we had in two months. A special thank you to Dr. Ziebarth, you went above and beyond for our dad and we will never forget that.

For our angel Mom (Marie): Big thank you to the Lake City ER and Lake City hospital staff. You were truly kind and patient with our mother when all of us couldn't be there. You have no idea how you helped us take her home in a safe way so she could be at her beloved home surrounded by family till she went to her heavenly home. Mayo Clinic hospice again was our saving grace! Big thank you to the doctors that my mom has seen over the years at the Lake City Clinic. We know she called the nurse line a lot so thank you to all that listened to her patiently. Kathy Lofberg, thank you, thank you, as we know you saw her the most and delivering the results to us couldn't have been easy and you made it bearable. Thank you to Dr. Huddleson who was Mom's doctor for that week in the hospital, you are truly amazing as a doctor and a person.

Also a big thank you to the unsung heroes as we call them and to the pastor for giving us strength through your prayer to help us through this difficult time. Thank you for coming right away when we called for Mom at the end. It meant a lot to her as she had strong faith and knew she was going to a better place.

To all our co-workers and families that had to adjust their schedules so we could be with our mom till her last breath. Thank you doesn't sound like enough. Thank you to the church ladies and our special friends Maggie, Sandy and Jen that helped serve at both funerals because of Covid we had to serve our own food and your help was so generous and thoughtful. Thank you for stepping up to help at both funerals.

We apologize if we left anyone out because you were all there when we really needed you and we will never forget what was done for us during those difficult five weeks and beyond. Lake City is a great community to be a part of!
