**ADVANCED HEARING AID TECHNOLOGY For Less Than \$200**

*"I was amazed! Sounds I hadn't heard in years came back to me!"*  
— Don W., Sherman, TX

**How can a hearing aid that costs less than \$200 be every bit as good as one that sells for \$2,250 or more?**

**The answer:** Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...

**MDHearingAid®** uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.

Over 300,000 satisfied MDHearingAid customers agree: High-quality, FDA-registered hearing aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a hearing aid. MDHearingAid is a medical-grade hearing aid offering sophistication and high performance, and works right out of the box with no time-consuming "adjustment" appointments. You can contact a licensed hearing specialist conveniently online or by phone — even after your purchase at no cost. No other company provides such extensive support. Now that you know... why pay more?

**Can a Hearing Aid Delay or Prevent Alzheimer's and Dementia?**

A study by the National Institute on Aging suggests older individuals with hearing loss are significantly more likely to develop Alzheimer's and dementia over time than those who retain their hearing. They suggest that an intervention — such as a hearing aid — could delay or prevent this by improving hearing!

**TAKE ADVANTAGE OF OUR 45-DAY RISK-FREE TRIAL!**

Hearing is believing and we invite you to try this nearly invisible hearing aid with no annoying whistling or background noise for yourself. If you are not completely satisfied with your MDHearingAid, return it within 45 days for a FULL REFUND.
