BELVIDERE ASSESSMENT NOTICE: NOTICE IS HEREBY GIVEN that the Board of Appeal and Equalization for Belvidere Township shall meet on April 6, 2016, 3:30 p.m. at the Belvidere Town Hall. The purpose of this meeting is to determine whether taxable property in the jurisdiction has been properly valued and classified by the assessor, and to determine whether corrections need to be made. If you believe the value or classification of your property is incorrect, please contact your assessor's office to discuss your concerns. If you are still not satisfied with the valuation or classification after discussing it with your assessor, you may appear before the local board of appeal and equalization. The board will review your concerns and correct them if necessary. An appearance before your local board is required by law before an appeal can be taken to the county level. Given under my hand this 21st day of March, 2016. Patricia Stemmann, clerk, Belvidere Township. 4-5-44-45c

ATTENTION LAKE CITY RESIDENTS

Please note that we are making changes to our current garbage collection routes.

If you are currently a Wednesday pickup, please be aware that your scheduled garbage and recycling pickup day will be changed as of April 1, 2016.

The new collection routes are as follows:

- South of Highway 63 (Lyon Avenue) - pickup will be Monday
- North of Highway 63 (Lyon Avenue) - pickup will be Friday

If you have any questions or concerns, feel free to give us a call at 651-345-4224.
 Thank you – Lake City Recycling and Disposal

Highway 61 Lane Reduction Open House
 We want your input!

Where: Lake City Council Chambers, Second Floor of City Hall
 When: March 28, 29 and 30 from 4:30 p.m. to 6:30 p.m.

The City of Lake City is exploring the possibility of reducing the number of driving lanes on Highway 61 from four lanes to two lanes with a center turn lane. The extent of the project would be from the north end of the City to Elm Street. The City has conducted a preliminary scoping study, which is available at City Hall or online at the City's website. We are now looking for public input before moving forward on a project.

For additional information, contact Scott Jensen at 651-345-6850 or Rob Keehn at 651-345-6806.

New Ford Vehicles Sold at \$1.00 Over Factory Invoice

We're going into our 43rd year in business in Lake City and to celebrate we will be selling every new car and truck in stock at \$1.00 over factory invoice. Plus, you get all the factory rebates, the Auto Show bonus, or 0%* financing on select vehicles.

Nothing will be held back, we've ordered extra vehicles for this sale so we have the vehicle you want. We will even take trades at these prices and we will show you the factory invoice upon request.

Here's your chance to buy a new vehicle like the dealers do.
 No vehicles sold to dealers or wholesalers at these prices.

Hurry, while selection lasts. First come, first served. Sales ends March 31, 2016
 *On approved credit. See dealer for details.

WINDS OF MARCH
Winds of March come sweeping through the long, brown valley. Winds of March ride flying through the dull, brown town. Toss the crimsoned maples where the sodden leaves are lying. Brush the yellowed masses of hills' gray gown... Winds of road and hilltop, breathe upon our dullness. Winds of wood and ocean, sweep our sooty squares. Somewhere in our dreaming, there are rows of purple iris. Where a March wind frolics and a March sun flares. Comes Spring and Easter! 43-4nc

PRUNING TOOLS - CHOOSE THE RIGHT TOOL FOR THE JOB
 U of M Extension Service
 The right tools make pruning easier and help homeowners do a good job. Keeping tools well-maintained and sharp will improve their performance. There are many tools for pruning, but the following will probably suffice for most applications:
 A good pair of pruning shears is probably one of the most important tools. Cuts up to three-fourths inches in diameter may be made with them.
 Lopping shears are similar to pruning shears, but their long handles provide greater leverage needed to cut branches up to one and a half inches in diameter.
 Hedge shears are meant only for pruning hedges, nothing else.

They usually cut succulent or small stems best.
 Hand saws are very important for cutting branches over one inch in diameter. Many types of hand saws are available. Special tri-cut or razor tooth pruning saws cut through larger branches, up to four inches in diameter, with ease.
 Pole saws allow for extended reach with a long handle, but they must be used carefully as it is difficult to achieve clean cuts with them.
 Small chain saws are available for use on larger branches. Operators must wear protective clothing and exercise caution when using them. People should never use chain saws to reach above their shoulders, or when they are on a ladder.

THE POWER OF EASTER...
 Has burst upon us with the resurrection of Christ.
 Now we find in ourselves a strength which is not our own.
 To understand Easter and live it,
 We must renounce our dread of newness and freedom.
